## Real Estate Photography Pricing and Information

All prices include photo session and a minimum of 20 digital files for print and web use. Images will be fully edited and ready for use within 48 hours of the shoot. All images will be delivered via email or digital download (disc available if requested, with \$5 shipping).

### **Pricing based on square footage:**

Up to 2499- \$95

2500-3499- \$125

3500-5499- \$175

5500-7499- \$225

7500-9499- \$295

Want to show more than the 16 images allowed in the HAR gallery?

Add our video-style slideshow to any listing for \$35. We'll include multiple angles of each room and highlight amenities to show off the distinction of the property. You will be provided with a URL link for your HAR listing and/or the embed information for your own website.

### **Complimentary slideshow with your first listing!**

We also offer custom brochure/flyer design.

Single-side or double-side, folded or flat

Print-your-own with the digital file that we send you,

or we can print and ship the brochures to you with your approval of the design.
